Year 11 Vocational

Information for Students and Parents
The Program

The year 11 Vocational program is for students who wish to complete their NTCET while undertaking flexible combinations such as part-time work, Vocational Training or a School Based Apprenticeship. The program includes both Academic and Vocational components:

Academic
- Thursday/Friday - includes Maths, English & one other course.

Vocational - Option 1
- Monday - Academic program or work
- Tuesday-Wednesday - VET Program

Vocational - Option 2
- Monday - Wednesday - School Based Apprenticeship (SBA)

Application Process

- Year 10 students are career counselled to ensure they are enrolling into the most suitable pathway for the following year. Process begins in the second half of term 3.
- Subject selections are completed online with the career counsellor
- An interview is conducted for all VET courses

Forms to complete requiring parent signature:
- Subject Selections form
- Vocational Registration form
- Taminmin VET Enrolment form or External VET Expression of Interest form.
- A Paid Work Place or Work Experience form if working. - parent and employer signatures required

Pathways

On completion of year 11 Vocational Program students:
- Are encouraged to find full time Apprenticeships / School Based Apprenticeships or work.
- Can continue their studies into the year 12 Vocational Program

Year 11 Subjects

All year 11 academic subjects are 10 credits and may include:
- Maths Applications, Pathways or Numeracy
- English Pathways
- Integrated Learning - Food or Phys Ed
- Scientific Studies

Two year 12 courses are offered on Mondays:
- Integrated Learning – Construction
- Integrated Learning – Work Health and Safety

Requirements

Students entering the year 11 Vocational program
- Must be enrolled in either VET or SBA
- Are responsible for finding their own SBA
- Are responsible (if required) for finding work
- Must be work ready as all options require work placement blocks.
