Achieving an NTCET gives students a head start in life. Research shows that the best way to increase job prospects and get set up for life is by gaining a senior secondary certificate. Knowledge, skills and attributes will be gained within the five capabilities of citizenship, communication, learning, personal development and work.

### Northern Territory Certificate of Education and Training

Students must achieve an A, B or C in **140 credits** out of 200 credits.

In order to gain an Australian Tertiary Admission Rank (ATAR), students are required to successfully complete three 20 credit Stage 2 tertiary admissions subjects (TAS) and a 30 credits of flexible option, which could include Stage 2 subject (1 x 20 credit, 2 or 3 x 10 credit or recognised learning). For more details see SATAC Tertiary Entrance booklet.

Students will earn credits for their studies. A total of **200 credits** are required to successfully complete the NTCET. Ten credits equates to one semester or six months of study.

Every Stage 2 subject will have **30% external assessment**, which means an expert from outside the school will assess a student’s work; **70% of the subject’s assessment** will be made by schools and these results will be **moderated** by an expert from outside the school.

Students must achieve an A, B or C (C for Stage 2 subjects) for all the compulsory subjects or courses.

Refer to the SACE Board VET Recognition Register for information about the recognition of VET in the NTCET.

Interstate and overseas students may be **granted status** for studies. Students who have completed a full Australian or overseas senior secondary program or part qualification that is considered to be the equivalent of NTCET Stage 1 will be granted status, including the Personal Learning Plan. These students will need to show that they have met the literacy and numeracy requirements.
Northern Territory Certificate of Education and Training

2011 is the first year of the NTCET qualification. Achieving an NTCET gives students a head start in life. Research shows that the best way to increase job prospects and get set up for life is by gaining a senior secondary certificate. Knowledge, skills and attributes will be gained within the five capabilities of citizenship, communication, learning, personal development and work.
