How will you learn?
Training and assessment takes place at the Hospitality Skills Centre at Taminmin College Campus and includes work experience at various restaurants and hotels. The training involves participating in various functions and lunch and dinner services where real food is prepared and served to real customers.

The course is delivered two (2) days a week on Tuesday and Wednesday during normal school hours. Some functions will occur outside school hours, however these are kept to a minimum.

Students will learn basic cookery skills, hygiene and food safety, general kitchen operations as well as teamwork and communication requirements of the workplace.

Students will need to supply the following for all classes:
- Pen/pencil for taking notes and completing learner guides
- Notebook/jotter

Structured Work Placement (SWP)
An important component of VET in Schools training is the Structured Work Placement. SWP is organised by Industry Engagement Officers (IEOs) who are the link between the school, host workplace and the Registered Training Organisation (RTO). SWP involves spending a work week each semester with a host employer gaining an insight to the requirements and expectations of a worker within this industry. Students do not receive payment for this experience.

Participation in SWP contributes to achieving competency in the compulsory unit SITHCCC207 Use cookery skills effectively. This unit requires students to prepare and serve multiple food items for a minimum of twelve (12) complete service periods (shifts). Students who do not complete SWP may not be able to demonstrate achievement in this unit and therefore may not be able to receive the full qualification.

How will you be assessed?
Assessment methods include questions to assess the knowledge requirements for each unit of competency and observation of application of practical skills. These assessments will also be used to determine work readiness and the ability to follow workplace instructions and procedures. SWP also forms part of the assessment requirements for this qualification. Students have a set date when assessments must be completed by.
