Course Information

AUR10116 Certificate I in Automotive Vocational Preparation

About this course

This qualification is an introduction to the automotive retail, service and repair industries. It offers entry-level training for those working or seeking to work in the automotive industry in areas such as light vehicle. The range of technical skills and knowledge is limited and reflects introductory employment skills

This course is nationally accredited within the Australian Qualifications Framework and outlined within the Automotive Industry Retail, Service and Repair Training Package (AUR12). Further details on this Training Package are available from the Australian Government's training information website: <http://training.gov.au/Training/Details/AUR>

Study and career pathways

On completion of this qualification, students may continue their studies with the Certificate II in Automotive Service Technology, seek an Australian Apprenticeship or apply for work as an entry level employee within the automotive industry.

Length of course

This qualification runs over a six month period with an expected completion time of two (2) terms.

Eligibility/entry requirements

To gain entry into this qualification, students must be enrolled in a senior secondary government or registered non-government school at year 10 level or above.

Support services

Students with special needs, including students with a disability, need to be supported appropriately. Reasonable adjustments will be made to accommodate their special needs. Support for students requiring language, literacy and numeracy skills will be provided by dedicated school staff such as Special Education Support Assistant

Fees

There is a fee of \$80.00 which includes all learner resources, assessments and covers the cost of a High Vis shirt, consumables and equipment. The fee is non-refundable following the second week of the course.

This course is funded by the Northern Territory Government under the VET in Schools funding arrangements through the Industry, Engagement and Employment Pathways (IEEP) unit.

RTO provider number 0855

How will you learn?

Training and assessment takes place in a fully equipped Trades Skills Centre at Taminmin College. The course is delivered one day a week on Thursday during normal school hours. All learning resources are supplied free of charge however students will need to supply the following:

- Pen/pencil for taking notes
- Notebook/jotter

Structured Work Placement (SWP)

An important component of VET in Schools training is the Structured Work Placement. SWP is organised by Industry Engagement Officers (IEOs) who are the link between the school, host workplace and the Registered Training Organisation (RTO). SWP involves spending a work week with a host employer gaining an insight to the requirements and expectations of a worker within this industry. Students do not receive payment for this experience.

How will you be assessed?

Assessment methods include questions to assess the knowledge requirements for each unit of competency and observation of application of practical skills. These assessments will also be used to determine work readiness and the ability to follow workplace instructions and procedures.

Previous Studies and Skills Recognition

Taminmin College recognises qualifications and statements of attainment issued by other Registered Training Organisations (RTO). If you have completed training with another RTO, please talk to your trainer about receiving credit or recognition of prior learning for this course. Further information on this process is available in the VET student Information Handbook

Credit transfers will be automatic where previous studies have been completed at Taminmin College and the units of competency apply to this qualification.

Exit points

You may withdraw from this qualification at any time by completing a Withdrawal form and receive a Statement of Attainment for any units of competency successfully completed.

RTO provider number 0855

Dress Requirements

Students are required to dress ready for work for all classes. The dress requirements for construction are:

- Work boots with a reinforced toe or steel capped (student to supply)
- High visible shirt (supplied)
- Long trousers (student to supply)

Program content

This qualification consists of eight (8) units of competency from the Automotive Industry Retail, Service and Repair Training Package.

AURAEA001	Identify environmental and sustainability requirements in an automotive service or repair workplace
AURASA001	Apply automotive workplace safety fundamentals
AURETR003	Identify automotive electrical systems and components
AURLTA001	Identify automotive mechanical systems and components
AURTTK002	Use and maintain tools and equipment in an automotive workplace
AURLTJ003	Remove, inspect and refit light vehicle wheel assemblies
AURTTA002	Assist with automotive workplace activities
AURTTA009	Carry out mechanical pre-repair operations

Student rights and responsibilities

Students have the right to learn and be treated with respect and dignity. Equally they have a responsibility to demonstrate respect for themselves, others and the training environment.

Student responsibilities include:

- Commit to and complete the VET program
- Comply with rules and expectations as detailed in the VET Student Information Handbook
- Comply with structured work placement requirements
- Comply with workplace health and safety (WHS) requirements
- Attend VET classes on time, dressed appropriately and ready to learn

Further information can be found in the VET Student Information Handbook
