Course Information

AUR20516 Certificate II in Automotive Servicing Technology

About this course

This qualification reflects the role of individuals who perform a range of servicing tasks in the automotive retail, service and repair industry

This course is nationally accredited within the Australian Qualifications Framework and outlined within the Automotive Industry Retail, Service and Repair Training Package (AUR). Further details on this Training Package are available from the Australian Government's training information website: <http://training.gov.au/Training/Details/AUR>

Study and career pathways

On completion of this qualification, students may continue their studies with the Certificate III in Light Vehicle Mechanical Technology, seek an Australian Apprenticeship or apply for work as an automotive serviceperson. *Please note Taminmin College does not offer the Certificate III in Light Vehicle Mechanical Technology.*

Length of course

This qualification runs over the year with an expected completion time of two (2) semesters on campus, however this time frame can be extended based on individual student needs.

Eligibility/entry requirements

To gain entry into this qualification, students must be enrolled in a senior secondary government or registered non-government school at year 11 level or above. There are no other requirements or previous experience required

Support services

Students with special needs, including students with a disability, need to be supported appropriately. Reasonable adjustments will be made to accommodate their special needs. Support for students requiring language, literacy and numeracy skills will be provided by dedicated school staff such as Special Education Support Assistant (SESA)

Fees

There is a fee of \$150.00 which includes all learner resources, assessments and covers the cost of a long sleeve shirt, consumables and equipment. The fee is non-refundable following the second week of the course

RTO provider number 0855

This course is funded by the Northern Territory Government under the VET in Schools funding arrangements through the Industry, Engagement and Employment Pathways (IEEP) unit.

How will you learn?

Training and assessment takes place in a fully equipped Automotive Skills Centre at Taminmin College. The course is delivered two (2) days a week on Tuesday and Wednesday during normal school hours. All learning resources are supplied free of charge however students will need to supply the following:

- Pen/pencil for taking notes
- Notebook/jotter

Structured Work Placement (SWP)

An important component of VET in Schools training is the Structured Work Placement. SWP is organised by Industry Engagement Officers (IEOs) who are the link between the school, host workplace and the Registered Training Organisation (RTO). SWP involves spending a work week each semester with a host employer gaining an insight to the requirements and expectations of a worker within this industry. Students do not receive payment for this experience.

How will you be assessed?

Assessment methods include questions to assess the knowledge requirements for each unit of competency and observation of application of practical skills. These assessments will also be used to determine work readiness and the ability to follow workplace instructions and procedures.

Previous Studies and Skills Recognition

Taminmin College recognises qualifications and statements of attainment issued by other Registered Training Organisations (RTO). If you have completed training with another RTO, please talk to your trainer about receiving credit or recognition of prior learning for this course. Further information on this process is available in the VET student Information Handbook

Credit transfers will be automatic where previous studies have been completed at Taminmin College and the units of competency apply to this qualification.

Exit points

You may withdraw from this qualification at any time by completing a Withdrawal form and receive a Statement of Attainment for any units of competency successfully completed.

RTO provider number 0855

Dress Requirements

Students are required to dress ready for work for all classes. The dress requirements for automotive are:

- Work boots with a reinforced toe or steel capped
- Long sleeve high visible shirt
- Long trousers

Program content

This qualification consists of twenty (20) units of competency from the Automotive Industry Retail, Service and Repair Training Package.

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA002	Follow safe working practices in an automotive workplace
AURATA001	Identify basic automotive faults using troubleshooting processes
AURETR015	Inspect, test and service batteries
AURTTA004	Carry out service operations
AURTTB001	Inspect and service braking systems
AURTTC001	Inspect and service cooling systems
AURTTD002	Inspect and service steering systems
AURTTD004	Inspect and service suspension systems
AURTTE004	Inspect and service engines
AURTTK002	Use and maintain tools and equipment in an automotive workplace
AURTTQ001	Inspect and service final drive assemblies
AURTTQ003	Inspect and service drive shafts
AURETR012	Test and repair basic electrical circuits
AURTTA009	Carry out mechanical pre-repair operations
AURTTF001	Inspect and service petrol fuel systems
AURTTF002	Inspect and service diesel fuel injection systems
AURTTX002	Inspect and service manual transmissions
AURTTX003	Inspect and service automatic transmissions
AURTTX005	Inspect and service clutch systems

Student rights and responsibilities

Students have the right to learn and be treated with respect and dignity. Equally they have a responsibility to demonstrate respect for themselves, others and the training environment.

Student responsibilities include:

- Commit to and complete the VET program
- Comply with rules and expectations as detailed in the VET Student Information Handbook
- Comply with structured work placement requirements
