SWP involves spending a work week each semester with a host employer gaining an insight to the requirements and expectations of a worker within this industry. Students do not receive payment for this experience.

Assessment

Assessments are completed both during classroom sessions and after the work placement component. Assessments vary with each unit of competency and include role play, observation, questions and answers, customer feedback and case studies. These assessments will also be used to determine work readiness and the ability to follow workplace instructions and procedures.

Previous Studies and Skills Recognition

Taminmin College recognises qualifications and statements of attainment issued by other Registered Training Organisations (RTO). If you have completed training with another RTO, please talk to your trainer about receiving credit or recognition of prior learning for this course. Further information on this process is available in the VET student Information Handbook

Credit transfers will be automatic where previous studies have been completed at Taminmin College and the units of competency apply to this qualification.
