TAMINMIN COLLEGE

EDUCATION FOR *life.*

Advantages

- Nationally recognised qualification
- Earn credits towards NTCET
- Develop work skills
- Build confidence and communication skills
- Exposure to potential employers

Dress Requirements

Students are required to dress ready for work for all classes. The dress requirements for Construction are:

- Work boots with reinforced toe (Student to supply)
- High visible shirt (student to supply)
- Work shorts (student to supply)

Structured Work Placement

An important component of VET in Schools training is the Structured Work Placement (SWP). SWP is organised by Industry Engagement Officers (IEOs) who are the link between the school, host workplace and the Registered Training Organisation (RTO). SWP involves spending a work week each semester with a host employer gaining an insight to the requirements and expectations of a worker within this industry. Students do not receive payment for this experience.

About this course

This qualification provides an introduction to the construction industry, its culture, occupations, job roles and workplace expectations. It covers essential work health and safety requirements, the industrial and work organisation structure, communication skills, work planning, and basic use of tools and materials. The qualification is built around a basic construction project unit that integrates the skills and embeds employability skills.

This course is nationally accredited within the Australian Qualifications Framework and outlined within the Construction, Plumbing and Services Training Package (CPC08). Further details on this Training Package are available from the Australian Government's training information website: <http://training.gov.au/Training/Details/CPC08>

This qualification runs over a six months period with an expected completion time of two terms on campus, however this time frame can be extended based on individual student needs.

Students are to attend the course one full day a week on Friday.
