Students do not receive payment for this experience.

Assessment

Assessments are completed both during classroom sessions and after the work placement component. Assessments vary with each unit of competency and include role play, observation, questions and answers, customer feedback and case studies. These assessments will also be used to determine work readiness and the ability to follow workplace instructions and procedures.

How will you learn?

Training and assessment takes place in a fully equipped retail centre at Taminmin College Campus and utilises a full range of retail equipment, procedures and protocols to achieve the required outcomes. This program also includes structured work placement to ensure skills learnt are transferred to the workplace in a meaningful way. Students will need to supply the following for all classes:

- Pen/pencil for taking notes and completing learner guides
- Notebook/jotter
