TAMINMIN COLLEGE

EDUCATION FOR *life.*

About this course

This qualification reflects the role of individuals preparing for work in the aquaculture, fishing and seafood processing and/or retail and distribution sectors of the seafood industry. The role includes undertaking a range of simple tasks under close supervision. The range of technical skills and knowledge is limited

In this course students will learn how to feed, handle, harvest and care for fish in an aquaponics set up. They will learn how to maintain a range of aquatic equipment that is needed to allow growth in the plant grow beds.

Students will participate in various excursions to different aquatic related facilities as part of this course.

This qualification runs over a six month period with an expected completion time of one semester on campus. Students are to attend the course one full day per week on Thursdays.

Program content

This qualification consists of six units of competency from the Seafood Industry Training Package.

SFIWHS201	Meet workplace health and safety requirements
SFIXSI102	Communicate in the seafood industry
SFIAQU101	Carry out basic aquaculture activities
SFIAQU202	Handle stock

Study and career pathways

On completion of this qualification, students may continue their studies with the Certificate II in Aquaculture, Certificate II in Fishing Operations, seek an Australian Apprenticeship or apply for work as an entry level employee in the fisheries/aquaculture industry. Taminmin College does not offer the Certificate II in Aquaculture or Certificate II in Fishing Operations.

Advantages

- Nationally recognised qualification
- Earn credits towards NTCET
- Develop work skills
- Build confidence and communication skills
- Exposure to potential employers

Dress Requirements

Students are required to dress ready for work for all classes. The dress requirements for Animal Studies are:

- Neat and tidy shorts
- Wide brim hat
- Fully enclosed shoes
- UV long sleeved shirt (supplied)

Vocational Work Placement

An important component of VET in Schools training is the Vocational Work Placement (VWP). VWP is organised by Industry Engagement Officers (IEOs) who are the link between the school, host workplace and the Registered Training Organisation (RTO). VWP involves spending a work week each semester with a host employer gaining an insight to the requirements and expectations of a worker within this industry. Students do not receive payment for this experience.

Assessment

Assessment methods include questions to assess the knowledge requirements for each unit of competency and observation of application of practical skills. These assessments will also be used to determine work readiness and the ability to follow workplace instructions and procedures.

How will you learn?

Training and assessment takes place in the aquaculture facility at Taminmin College Campus. The course is delivered one day a week on Thursday during normal school hours. All learning resources are supplied free of charge however students will need to supply the following:

- Pen/pencil
- Notebook

Previous studies and skills recognition

Taminmin College recognises qualifications and statements of attainment issued by other Registered Training Organisations (RTO). If you have completed training with another RTO, please talk to your trainer about receiving credit or recognition of prior learning for this course. Credit transfers will be automatic where previous studies have been completed at Taminmin College and the units of competency apply to this qualification.

Support services

Students with special needs, including students with a disability, need to be supported appropriately. Reasonable adjustments will be made to accommodate their special needs. Support for students requiring language, literacy and numeracy skills will be provided by dedicated school staff such as Special Education Support Assistant.

Student rights and responsibilities

Students have the right to learn and be treated with respect and dignity. Equally they have a responsibility to demonstrate respect for themselves, others and the training environment.

Student responsibilities include:

- Commit to and complete the VET program
- Comply with rules and expectations as detailed in the VET Student Information Handbook
- Comply with structured work placement requirements
- Comply with workplace health and safety (WHS) requirements
- Attend VET classes on time, dressed appropriately and ready to learn

Eligibility/entry requirements

To gain entry into this qualification, students must be enrolled in a senior secondary government or registered non-government school at year 10 level or above. All students will undergo an interview prior to acceptance into the course.

Fees

There is a fee of \$80.00 which includes all learner resources, assessments and covers the cost of a long sleeve shirt, consumables and equipment. The fee is non-refundable following the second week of the course.
